RAMO is a fashion forward blank apparel supplier that was established in 1997. Over the last twenty years, RAMO has delivered the best value for money on wholesale garments including tees, fleeces, polos, jackets, work wear, and organic babies wear. RAMO offers a large range of popular leisure, street, team, and activewear styles that is perfect for retailers, sports, fitness, and promotional events.

RAMO products can be found and purchased from one of our many distributors, including uniform stores, decorators, marketing companies, and selected online retailers.

Social Responsibility Statement

At Ramo we believe in two key philosophies: adapting to market conditions, and building long term value. This is evident not only through our products and designs, but also through the factories that make them.

We only work with a small number of factories that demonstrate a commitment to:

Safety

Our factories are constantly refining practices to ensure safe and healthy working conditions to keep in line with international standards. We strictly do not engage with AZO dye.

Humane working conditions

Our partner factories are given continuous work and are required to adapt to living wages, non-excessive work and no harsh or inhumane treatment.

No Child Labour

Strictly no hiring of underage workers.

We require all our factories to engage in continuous auditing and provide third party certification such as BSCI, Sedex, and Oeko-Tex Certificate

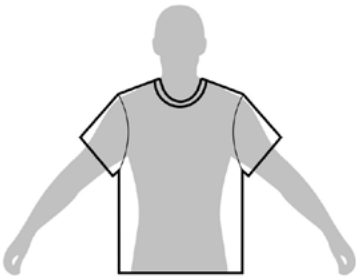

Furthermore, we are committed to reducing plastics in our supply chain by introducing eco-friendly compostable bags.
